

Mr. Samuel L. Blumenfeld
c/o COMMENTARY, 165 East 56th Street
NEW YORK 22, N.Y.

Dear Sir,

After having come to the conclusion that You are the only Jewish non-LEFTIST political journalist in the US, and on occasion of Your esteemed President's recent debacle in Paris and Vienna as well as on the occasion of the final, moral as well as intellectual, neutral gear of the General Taylor fact-finding committee on the Allen Dulles apparatus inefficient, ineffably corrupt and treacherous activities I am ready to give to Your esteemed President quite unique and supersensational facts in the Muscovite sector, should I get a chance to see one of his men of confidence in the near future here. In the meantime I would like to give to Your President as a downpayment for that CONCRETE TECHNICAL DATA quite a unique POLITICAL SNAPSHOT which possibly could lead later on to direct P O L I T - E X P E R T talks with the entourage of Your esteemed President as well as to some basic changes in American attitudes as well as methods of approaching to fundamental problems - being of vital importance to the whole civilized world.

In connection with Your President's recent visit to Europe, I read that ineffably shocking nonsense by Mrs. Roosevelt in the April copy of THE ATLANTIC - about the, so characteristic of the whole western, and decisively LEFTIST-Jewish influenced, leadership (!), supernaive way she wants to fight the terrestrially religious Muscovite State-licensed super-criminality (= a pseudoscientifically couched system of lie, deception, violence and crime) by liberalistically persuading the American youth to blindly confide in that so awfully compromised LEFTIST-Jewish Golden Calf, called in this article THE AMERICAN DREAM. Besides, Mrs. Roosevelt seems quite to forget she is the pink widow of the internationally accepted main culprit that the evil Muscovites are covering half the world now.

Unfortunately forged into b l u r t i n g o u t (= "mit der Türe ins Haus zu fallen"), and blindly CONFIDING IN YOUR NON-LEFTIST JEWISH POLITICAL INSTINCT AND FLAIR, permit me to tell You that I cannot, despite of being against his masonic treachery in Algeria, admire enough General de Gaulle's firm as well as extremely negative attitude towards those ineffably arrogant, empty-brained, traditionless and impertinent American "Peace Corps" style intruders; towards all those infantile Rooseveltian LEFTIST-masonic and LEFTIST-Jewish humbugs which are, since decades, so systematically harming the Western - and s.c.free - World, and even threatening to ruin that world finally, in its should-be anti-Muscovite struggle; towards that endless array of incredibly molly-coddle and cowardly ignorant American "experts" on Muscovite affairs, headed by all those Bohlens, Harrimans, Stevensons, Kennans, Thompsons, Roosevelts etc.

And despite I am not too much expecting You to help me IMMEDIATELY printing, in that would-be free press of Yours, for both parts desirable scientific treatises (THIS LETTER YOU MAY PRINT ANONYMOUSLY, OF COURSE!) on the palpable fact the American LEFTIST-masonic and LEFTIST-Jewish imperialism-colonialism of m o n e y being morally quite an equivalent partner to that classically supercriminal Muscovite imperialism-colonialism of "ideology" (the ideology of crime, of course), but intellectually being far below that last one; and despite of the fact I am not too much expecting You to help me IMMEDIATELY printing scientific treatises or even lecturing

straight occupation is still morally and intellectually by far the relatively most justified phenomenon of that kind - without which the American LEFTTST-masonic and LEFTIST-Jewish imperialism-colonialism of money never can win that gigantic struggle against the evil Muscovites, - despite of all that I am trying to appeal through You, privately as well as in public, to Your esteemed President at the given extremely crucial moment to let me come to the States for our greatest possible mutual benefit as soon as possible.

IN THE MEANTIME, couldn't You personally come here for a discreet as well as top-informative talk with my modest personality, being a R E A L (in clearest distinction to all those ridiculously and per nefas inherited Bohlens!) politexpert on Muscovite affairs and well-known former Soviet policial prisoner of long years' standing, or at least enable me to have printed some strictly ANONYMOUS (for safety reasons) articles of mine on that very same above-mentioned and top-ranking American-Muscovite topic?!

References on my modest person coming from the extremely inefficient, stupid as well as corrupt former Allen Dulles apparatus, from Israel's LEFTIST- Jewish intelligence, as well as from their common world-wide satellites would only completely misinform and mislead You.

Maybe, You could get some better references from Your President's esteemed brother-in-law, Prince S.A.Radziwill.

Most respectfully and sincelery Yours

M. Helou Radziwill

Dear Dr. Vomacka:

Thank you for your letter of July 10, 1961 which was forwarded to me by Commentary. I am afraid there is very little I can do to help you, since my influence with the Kennedy Administration is nil.

However, if you would enter into correspondence with Mr. William F. Buckley, Jr., editor of the National Review, 150 East 35th St., New York 16, N.Y., the only popular Right-wing magazine in the country, he may be able to print your articles and political commentaries.

Of course, you must realize that a considerable body of anti-Leftist political writing has already been published in this country. However, most of it is ignored or discredited by the liberal press, and therefore the American public remains virtually uninformed.

Sincerely yours,

Samuel L. Blumenfeld
Editor
