Mr. Sam Blumenfeld
The John Birch Society
Belmont 78, Massachusetts

Dear Sam:

Per our conversation, we are indeed pleased to learn of your willingness to do some tape recordings for "The John Birch Society Report."

Could you have two tapes to us by Friday, February 18, 1966. It would be very timely, I think, to have the first tape cover the subject of the Jewish Society of Americanists, bringing in the current fact-finding report of the Anti-Defamation League, and the second tape on the Dominican Republic.

Tapes are to be 12 and 1 1/2 minutes in length; they are recorded at 7 1/2 IPS (inches per second). It is wise to have the tapes recorded at a studio, so that they are high quality.

We shall look forward to your reply.

Kind regards,

John H. Rousselot
