Mr. Harold F. McKinney
Executive Assistant
The John Birch Society
Belmont 78, Mass.

Dear Mr. McKinney:

Many thanks for your kind letter of April 6th. We are indeed grateful for your mention of our publication in your April Bulletin.

Enclosed you will find a copy of the April issue of U.S./FRANCE REPORT. I trust you received the copy of the Special Report on the Communist Background of the Algerian Rebellion, which was sent to you.

I may have occasion to be in the Boston area fairly soon. Would it be possible for me to have an appointment with Mr. Welch, as I would like to discuss with him our work and future plans.

With best regards to Mr. Welch and yourself, I remain,

Sincerely yours,

Samuel L. Blumenfeld
Secretary
