Your Excellency:

This letter is to introduce Mr. Samuel L. Blumenfeld, who is representing American Opinion magazine in interviews with several most important European leaders. Mr. Blumenfeld, whose excellent anti-Communist work may be familiar to you from his recent articles in American Opinion, has long been a friend of the anti-Communist cause. I introduce him to you in the hope that you may entertain him as our representative in our further efforts to place the courageous anti-Communist efforts of Portugal in the best possible light here in the United States.

Most sincerely,
