Dear Mr. Blumenfeld:

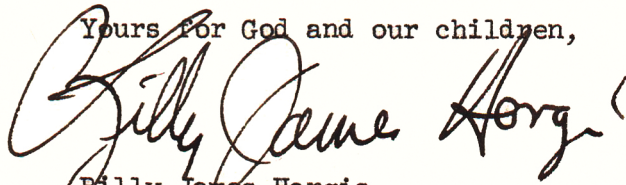

I am sending to you, under separate cover, a sample copy of our Christian Crusade magazine which contains my article, "Reflections on the Death of the President," and also a copy of our Weekly Crusader.

I have read my first copy of your publication dated December, 1963, and liked it very much. If you would like to exchange publications, I will be glad to send you both of ours in return for whatever material you put out.

I am also sending a copy of a publication called "This Is Christian Crusade," which will tell you more about our activities.

Keep up the good work in the fight against communism. God knows, we need every anti-communist voice that we can muster in these days to save the free nations of the world.

Yours for God and our children,

Billy James Hargis

Dear Mr. Blumenfeld:

I want to thank you for your appearance at our Christian Crusade Convention in Dallas, August 7-9. Words fail to express my sincere gratitude for what you have done on behalf of Christian Crusade.

To try to show my appreciation, if you are not already receiving it, I want to send you our "Weekly Crusader" for the next year so you can keep up with this excellent research that Christian Crusade publishes and continue to feel a vital part of our ministry.

May God richly bless you is my prayer. If you would like to have a tape recording of your speech before the Convention, please use the enclosed envelope to order it. We would be glad to send you one to further show our appreciation.

Again, may God richly bless you is our prayer, and thank you again.

Yours for God and our children,

Dear Sam:

First of all, excuse me for not having answered your letter earlier than this, but I have been so busy since returning home from Europe.

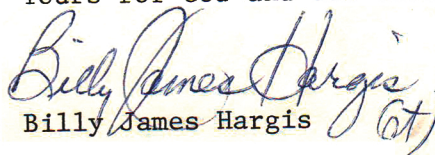

The article you have written on Major Lanz will appear in the July issue of the Christian Crusade magazine. I am informing Pete and Ruby White today to send you proofs of the article so you can make sure it is printed without error.

Also, I notice in your letter of May 23 that you want to see proof of our chapter in our press book which contains your article on the Walter Lippmann affair.

Today, Ron Shelly tells me that you are going to introduce me at the June 14 meeting in New York. This is wonderful and I appreciate it. Also, he tells me that Bill Buckley asked you to quit sending your publication to him. What is the story behind this? I am very interested and curious.

We shall look forward to your being with us at The Summit July 25-August 6, and also being with us at our Convention in Los Angeles. I consider you a wonderful friend and I shall look forward to being with you when I get to New York City. In the meantime, I would appreciate you checking out this Vantage Press in New York City. I notice they are printing several anti-communist books.

Yours for God and our children,

Dear Sam:

On behalf of the Executive Committee of Christian Crusade, I am happy to inform you that you have been selected for an award at the Annual Convention of Christian Crusade to be held in the Biltmore Hotel, August 5-8, 1965.

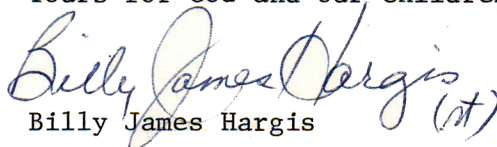

Each year at this annual gathering of Christian conservatives under the auspices of Christian Crusade, we present 20 awards to outstanding patriots and patriotic groups that we feel should be singled out for a special honor because of freedom activities.

It is necessary for us to know in advance of the Los Angeles Convention if you will be present to receive your award. If so, you will be given a trophy during one of the actual sessions of Christian Crusade. The awards are generally presented at the Friday night, Saturday night and the Sunday afternoon sessions. If you intend to be present to receive this award, it will be necessary for us to know which of the sessions you will attend. If for any reason you cannot be present in person to receive your award, we need to have this information also since those who are unable to be present do not receive a trophy award but receive a certificate award which will be mailed after the Convention.

If you intend to be present at the Convention, please let me know by air mail reply immediately. Also, please send me a glossy photograph of yourself plus a biographical sketch. We will soon announce to the press those twenty recipients of our Christian Crusade awards for 1965.

Congratulations upon your selection and I am looking forward to seeing you in Los Angeles.

Yours for God and our children,

Dear Sam:

I was so glad to learn from my Associate and Dean of the Summit, David Noebel, that you were willing to come and help us this summer with the classes at the Christian Crusade Anti-Communist Youth University at Manitou Springs. I am thrilled to know that you are going to be there and I trust that the Lord will really use you.

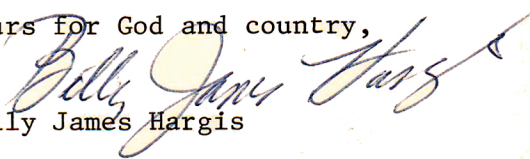

As you know, we cannot afford to pay salaries to the teachers at the Summit, and this year we will be unable to pay the transportation. We have more advance reservations this year than ever before and this means that we will have more free scholarships to give than ever before. I know that you understand that if I were to pay for the transportation of faculty members, I would be unable to offer free tuition to these young people.

We will be glad to pay for room and board for you and yours while you are teaching at The Summit, but it will be impossible for us to pay for the transportation. If this will work a hardship on you, we will certainly understand and if you need to contact David Noebel, write to him at The Summit, P.O. Box 207, Manitou Springs, Colorado.

You will be glad to know that we have moved into our new building in Tulsa and for this we thank God. This move has been very expensive and we still owe a balance on the construction in addition to the expenses of moving and new furnishings needed so that it is even more necessary that we watch our dimes and dollars this summer.

God bless you, and I hope that we will see you at The Summit this summer.

Yours for God and country,

  
Billy James Hargis
