Mr. Samuel L. Blumenfeld  
171 West Seventh Street  
Boston, Massachusetts

Dear Mr. Blumenfeld:

Thank you for the talk "The Development of Educational Statism" which you gave at Sacred Heart University on April 9th. I'm sure it has people thinking lots of new thoughts.

I was sorry that there was not more time to talk with you. I would have liked to explore more of your ideas and learn more about your life. Perhaps someday.

Meantime, I hope that Is Public Education Necessary? will be a success on the market. Its message is important!

Sincerely,

THE CONNECTICUT CATHOLIC CONFERENCE
