Mr. Samuel L. Blumenfeld
171 West Seventh Street
Boston, Mass. 02127

Dear Mr. Blumenfeld:

It was very good to talk with you over the phone and also to receive your kind letter regarding my piece on Carl Sagan.

I have been so busy I cannot remember if I sent you the article reprints I promised you. But since I can find no letter xerox I will assume that I did not.

Best wishes to you in your important work. Your book Is Public Education Necessary is superb, and I have already recommended it to more than a dozen people.

It would be nice to meet you--perhaps on one of my occasional trips to Boston.

Sincerely yours,

Richard A. Baer, Jr.
Professor
